

BAK Wage, Payment, and Bonus Policy

Internal policy aligned with principles from the Code on Wages, 2019

Document Classification: Internal Training and Policy Reference

Purpose: This document is prepared as part of a knowledge base for a Retrieval-Augmented Generation capstone prototype. It is not a substitute for statutory advice, legal consultation, or official government notifications.

Purpose and Legal Basis

This internal wage and payment policy adapts relevant principles from the Code on Wages, 2019 for an online coaching establishment. The policy is meant for internal consistency and educational demonstration in the capstone RAG system.

The Code on Wages, 2019 consolidates legal provisions relating to wages, minimum wages, payment of wages, equal remuneration, bonus, claims, and related compliance duties.

BAK shall not discriminate on the ground of gender in relation to wages for the same work or work of a similar nature. Wage decisions should consider role, responsibility, skill, workload, and agreed terms.

Payment of Wages

- Wages or honorarium shall be paid through bank transfer, UPI, cheque, or other traceable electronic mode wherever feasible.
- The wage period may be daily, weekly, fortnightly, or monthly depending on the nature of engagement, but must be clearly communicated.
- Monthly payments should be released before the seventh day of the succeeding month, unless a written agreement specifies a lawful and reasonable arrangement.
- On resignation, removal, or conclusion of engagement, admitted dues should be settled within a reasonable period and preferably within two working days where applicable.

Deductions, Fines, and Records

No deduction shall be made except for authorised and documented reasons such as absence from assigned work, recovery of advance, statutory deductions, written employee authorisation, or proven damage/loss after reasonable opportunity to explain.

- Total deductions in a wage period should not ordinarily exceed fifty percent of wages.
- Fines should not be arbitrary and must follow prior notice and opportunity to explain.
- Records should include person employed, wage period, work done, payment details, and deductions if any.
- Wage slips or payment summaries should be issued or made available digitally.

Bonus and Incentive Policy

Where legally applicable, bonus rules shall be followed in accordance with prevailing statutory thresholds and notifications. For academic and service incentives outside statutory bonus, BAK may use performance-linked honorarium based on quality, punctuality, student feedback, and documented contribution.

Incentive Type	Illustrative Basis
Academic Quality Incentive	Documented learner improvement, correction quality, and course completion.
Operational Support Incentive	Timely coordination, LMS support, and student follow-up.
Content Contribution Incentive	Preparation of original worksheets, mock tests, or training resources.
