Grievance and Fair Treatment Policy

This policy establishes a simple process for learners and personnel to raise concerns about payment, academic delivery, conduct, discrimination, or service quality.

Principles

- Every complaint should be heard respectfully.
- No person should be penalised for raising a genuine grievance.
- Resolution should be proportionate, documented, and time-bound.
- Where the issue relates to wages or dues, payment records should be reviewed carefully.

Grievance Procedure

Stage	Action
Stage 1	Informal discussion with tutor or coordinator.
Stage 2	Written complaint through email or official message channel.
Stage 3	Review of records, attendance, payment history, and communication trail.
Stage 4	Written resolution, corrective action, refund decision, compensation class, or closure note.

Equal Opportunity

BAK shall not discriminate on the ground of gender while assigning work, giving feedback, fixing remuneration, or offering learning opportunities. Similar work should be assessed through skill, effort, responsibility, experience, and conditions of work.
